Subject: Employees Personal Appraisal Process for the year 2026 for the officials under Card Business Division.

Dear Sir,

The Employees' Personal Appraisal Process is a critical tool in assessing and fostering employee performance, aligning individual contributions with the organizational goals. In line with the strategic direction of the management of the bank, the Card Business Division is recognized as a dedicated business unit, distinct from other divisions of the Head Office. In alignment with this strategic distinction Management of the Bank has approved a revised and specialized Key Performance Indicator (KPI) framework to align with its strategic objectives. The implementation of this KPI framework is intended to drive efficiency, accountability, and business growth. The new appraisal process for the year 2026 for the Card Business Division has been categorized into the following 04 (four) parts:

Sl. No.	Indicators	Score	Remarks
