Subject: Introducing “Smart EMI” services for our Credit Cardholders.

Dear Sir,

The Board in its 1249th meeting held on 12th August 2020 has approved the Equated monthly installment (EMI) services for our Credit Cardholders.

Card Division has finalized the policy as well as Software Development Division has developed the EMI module in PIBS for branch and Head Office use. As such, we already introduced the **Instant EMI (0% Interest)** for our Credit cardholders.

Now, we are going to introduce another EMI service for our Credit Cardholders i.e; **Smart EMI (6-10% Interest)**. Details services and features of this EMI is mentioned below:

Smart EMI (For any kinds of Pubali Credit Card Transaction):

Cardholders will enjoy lower interest rate than the revolving interest rate they would normally pay for their Credit Card. Now, Credit Card users can convert any of their transaction into **Smart EMI** at just **6-10% Flat interest rate** (POS transaction, e-commerce transaction, ATM transaction and Outstanding (due) of Credit Card account).

Key Features:

1. Smart EMI is available for any Credit Card transaction of BDT 5000 or more.
2. Smart EMI conversion is with minimum documentation.
3. Save on higher Credit Card interest rate.
4. Early settlement fees of 2% or BDT 500 whichever is higher will be charged on existing amount.
5. Tenure options are 3, 6, 9, 12, 18, 24 and 36 months available.

EMI Interest (Other than staff):

- a) 9% Flat interest rate for POS and e-commerce transaction.
- b) 10% Flat interest rate for ATM transactions and outstanding of Credit Card Balance.

EMI Interest (Pubali Staff):

- a) 6% Flat interest rate for POS, e-commerce, ATM transaction and Outstanding (due) of Credit Card account.

How to avail the Smart EMI service:

- Pubali Bank Credit Card holder has to use their Credit Card to make the transaction other than outstanding Credit Balance. If the customer's Card account has the requisite balance, the transaction will approved.
- Pubali Bank Credit Card holder have to submit an application form to Card Division/Branch/ Mobile Apps/Email/request through Call Center within 15 days of transaction. A Smart EMI application form is already available at our Bank's website.
- Upon request received from the Cardholders, Branch will made the EMI request through PIBS. PIBS user would navigate as below menu:

File Maintenance>Card Management System>Credit Card EMI

- Branch will get details operational manual from the "Help" menu of PIBS.
- Upon request received from the Cardholders, Call Center officials also made the EMI request through the EMI operation system. Card Division will provide EMI operation system to the Call Center for their use.

Terms and conditions:

- ✓ The value of the Credit Card transaction should be **BDT 5000** or more to be eligible for conversion of transaction to Smart EMI.
- ✓ Request for conversion of transaction into EMI will be processed only if the request for the same is received within 15 days from the date of transaction.
- ✓ The Equated Monthly Installment (EMI) amount will be billed to the Credit Card statement of every month.
- ✓ Customer's Credit Card statement will clearly display the transaction that has been converted into EMIs.
- ✓ During the running period of EMI's, the Cardholder cannot close their Credit Card. However, if they does so, before all installments have been posted, the outstanding EMI Principal amount will be debited to the Card account as one consolidated amount and regular interest applicable to Credit Card shall be charged.
